

Skyridge Doodles guarantees this puppy to be free of Major Diseases (Parvo, Distemper, Corona, and Rabies) for a period of 48 hours from the date of sale stated on the Pet Record. We require that you take your new puppy to your vet within the first 48 hours of receiving them. Puppies are healthy and in sound condition when they leave our care and have had a thorough vet check with our veterinarian. Buyer is responsible to have a licensed veterinarian administer the rest of the vaccine series following vaccines that have been given by breeder. If the buyer fails to have the vet check within 48 hours or fails to continue vaccines as stated above, parties agree this guarantee is considered null and void.

Skyridge also guarantees this puppy to be free of genetic defects until the puppy reaches one year of age. If this puppy is found to have a genetic defect, it will be replaced with another puppy of the same sex from the first compatible litter. No money will be refunded. Buyer is responsible for the replacement puppy pick up. Seller is not responsible for any vet bills. No exceptions. It is the buyer's responsibility to keep your puppy from unhealthy environments until it has had the full vaccination regimen.

This health guarantee does not cover any parasite, internal or external, as this is a treatable condition.

Buyer will receive a copy of the immunization schedule and record with the puppy, or prior to puppy arriving to buyer. This guarantee shall become null and void if the puppy is given any vaccinations or medications other than what is specified on the medical record you received with the puppy registration. Also, all vaccinations must be given in accordance to our schedule.

If your puppy displays any indication of poor health within the first 48 hours, Skyridge must be contacted, and the puppy must be brought back or taken to our veterinarian for any necessary treatment. Puppies that go out of state must go to a licensed veterinarian, and signed documentation must be sent to Skyridge immediately. Failure to do so will cause this guarantee to become null and void. Keep in mind that the transition to a new home, new food, travel, etc., can cause puppy to display symptoms of a change in stool due to stress. Do not change food all at once, or your puppy will have discomfort and loose stool. We recommend slowly integrating food over a week if you decide to change foods.

A deposit of \$500 will be required to hold a puppy. Please note that any deposits or money sent is non-refundable. If you decide to switch your deposit to another puppy, there will be an additional charge of \$250 as we have had prospective buyers for the puppy that, due to having been on hold for you, have been unavailable to anyone else.

Please make sure you are ready for the responsibility of a new puppy in your home and that your living quarters are suited to a puppy. We will not refund any money on a puppy that you decide you do not have time for or that your home/living quarters do not accommodate.

We are close to Salt Lake City International airport and will meet buyers at this airport if you choose to fly in and pick up your puppy. We will not fly puppies solo. We offer a pet flying nanny service for an additional amount pending airline cost or you may hire your own nanny service. We will not allow hired ground transportation. We gladly welcome pickups from our home.
